and listen to Library favorite,  
Now & Then, perform their  
special variety of acoustical  
music for the holidays

**FRI, Dec. 2 ■ 3-5 pm**

# The Science of **STAR WARS**

**TUE, December 6 ■ 6:30**  
**all ages welcome**

Have you ever wondered how a TIE Fighter works? Or if Tatooine could actually exist?

Dr. Erin Macdonald, astrophysicist with Stellar Solutions, Inc., will walk us through the Star Wars universe and explain the probable, possible, and impossible science behind the Star Wars films.

We will talk about possible technologies, planets, space travel, and more.

# Music at the Library

# Career & Resumé Coaching

## Drop-in 'Office Hours' *with Pam Farone of Careerfulness*

**Nov. 29, 10-12:00**

**Dec. 5, 10-12:00 ■ Dec. 13, 12:30-2:30**

If you want an expert to check out your resumé, cover letter, or give you some tips for an upcoming interview, drop-in with Pam Farone to get some career counseling and an evaluation of your job search materials.

# Read to Rover

**Every Tuesday ■ 4-5PM**

**(all ages welcome; no registration needed)**

**It's been shown that reading out loud helps children boost their reading confidence.**

**What better way to practice reading than to have a mellow, 4-legged friend as a reading buddy!**

# Teen Craft Programs

## DIY Emoji Gifts

TUE, Nov. 29 ■ 4-5:30

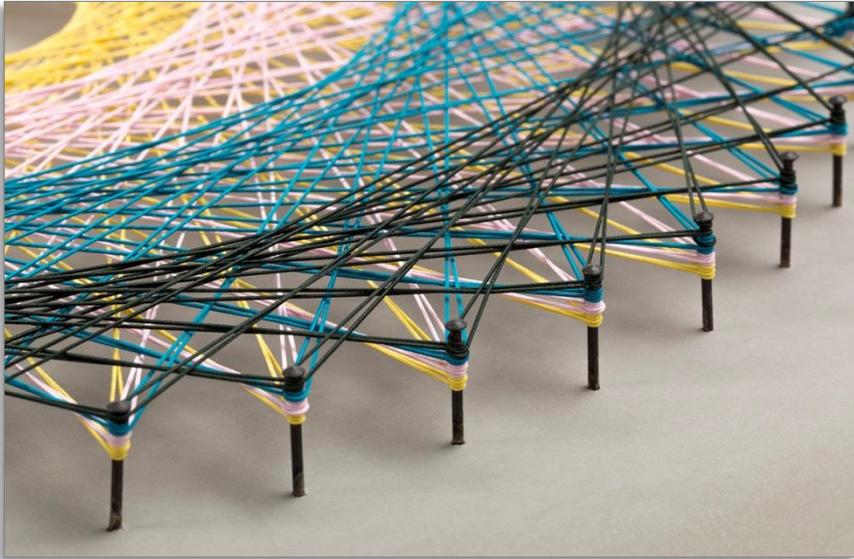

'Tis the season for giving! We'll make emoji bookmarks, pillows, and perler beads you can 'gift' to your friends and family.

# Teen Creations

## DIY String Art

**TUE, Dec. 27 ■ 4-5:30**

Every month is a different project, so join us for a fun 'crafternoon' at the Library. This month we'll make snazzy pieces of art using string, pins, and corkboard.

Supplies are limited.

# 'Brown Bag' Discussion

## *Discover Louisville's Historic Subdivisions & Neighborhoods*

**THUR, Dec. 1 ■ 12-1PM**

About a dozen subdivisions were added to Louisville's original downtown by 1912. Though Louisville was a small town, it also had distinct neighborhoods, some of which were based on where people had come from, such as the neighborhoods of Little Italy, Frenchtown, and the English neighborhood of Kimbertown.

Museum Coordinator Bridget Bacon will give a presentation on these subdivisions and neighborhoods that still define Old Town.

This program will be held in the Library Meeting Room. Participants are welcome to bring a lunch.

# Art Walk at the Museum

## Louisville's Larder

FRI, December 2 ■ 4-7PM

*Louisville's Christmas Traditions of the Past*

The Museum will observe the Louisville holiday tradition of handing out sacks of simple treats to children. For decades, from the 1920s to the 1980s, Louisville community organizations paid for and put together these sacks that typically contained an orange, nuts in the shell, and pieces of ribbon candy.

For many Louisville children, receiving these treat sacks was a large part of their holiday experience. During the Depression, the sacks were even the main gifts for children in some families. This year, we thank the Louisville History Foundation for sponsoring the Christmas treat bags.
