

TOWN OF SUPERIOR, COLORADO
Williams Field Scoreboard
Addendum No. 1
Date of Addendum: April 19, 2017

The purpose of this Addendum is to provide additional information related to this project and to address submitted questions. This addendum shall be considered part of the Plans, Specifications and Contract Documents and is issued to change, amplify, or delete from or otherwise explain these documents where provisions of this addendum differ from those of the original documents. This addendum shall have precedence over the original documents and shall govern. Bids are due April 21, 2017 by 2:00 p.m.

1. Does the school need the “BALL ON “option on the scoreboard?
 - For clarification purposes the field is Town owned and many different entities/teams use the turf field for recreation. The prior scoreboard was donated by one of these entities and their team logo was approved for the scoreboard, however, the new scoreboard is being purchased by the Town and will only have the Town Logo.
 - Yes, the Town needs the “BALL ON” option if possible.
2. The bid submittal deadline is April 21, 2017 at 2 p.m.
3. Are the existing top and bottom panels on the existing system being removed or left in place?
 - They are to be removed.
4. Size of existing scoreboard vs. stamped drawing don't match.
 - a. Size noted of existing is 14' x 8'
 - b. Stamped drawing shows 14' x 7'
 - The upper and lower panels on the existing system and their spacing are the difference in size, the scoreboard itself is approximately 14' x 7'.
