SUPERIOR URBAN RENEWAL AUTHORITY (SURA)

Voters created the Superior Urban Renewal Authority (SURA) in 1994, the boundaries of SURA were expanded in 2006, to the roughly 150+ acres of land east of Town Hall and McCaslin Boulevard, to encompass what is commonly known as the Downtown Superior development site. Property TIF revenues are being used to reimburse a portion of Metropolitan District/Developer installed public improvements within Downtown Superior. This reimbursement is capped and can only be repaid if new, incremental property taxes are generated within the Downtown Superior boundaries.

Downtown Superior Property Tax Fund – All property tax increment revenue from Downtown Superior are collected in the Property Tax Fund. SURA property tax increment revenues include all property tax revenue increases over the base year (2013). Revenues are budgeted at \$4.24 million for 2022. The incremental property tax revenues will be used primarily to pay for a portion of public improvements inside Downtown Superior built by Metropolitan Districts and the developer. A piece of these revenues attributable to a mill levy imposed by the Mountain View Fire Rescue (up to a maximum amount of 10 mills) and any increases in the mill levy imposed by any of the Town of Superior, Boulder County, Louisville Fire or the Boulder Valley School District above the base year 2013 mill levy will be returned to these governmental entities.
