Pursuant to the Keep Jobs in Colorado Act, C.R.S. § 8-17-101, *et seq.* (the "Act"), and the rules adopted by the Division of Labor of the Colorado Department of Labor and Employment implementing the Act (the "Rules"), Contractor shall employ Colorado labor to perform at least 80% of the work under this Contract and shall obtain and maintain the records required by the Act and the Rules. For purposes of this Section, "Colorado labor" means a person who is a resident of the state of Colorado at the time of this Contract, without discrimination as to race, color, creed, sex, sexual orientation, marital status, national origin, ancestry, age, or religion except when sex or age is a *bona fide* qualification. A resident of the state of Colorado is a person with a valid Colorado driver's license, a valid Colorado state-issued photo identification, or documentation that he or she has resided in Colorado for the last 30 days. Contractor represents that it is familiar with the requirements of the Act and the Rules and will fully comply with same. 11. Severability. If any provision of this Contract is found by a court of competent jurisdiction to be unlawful or unenforceable for any reason, the remaining provisions hereof shall remain in full force and effect.

12. Modification. This Contract may only be modified upon written agreement of the Parties.

13. Assignment. Neither this Contract nor any of the rights or obligations of the Parties shall be assigned by either party without the written consent of the other.

14. Governmental Immunity. The Town and its officers, attorneys and employees are relying on, and do not waive or intend to waive by any provision of this Contract, the monetary limitations or any other rights, immunities, and protections provided by the Colorado Governmental Immunity Act, C.R.S. § 24-10-101, *et seq.*, as amended, or otherwise available to the Town and its officers, attorneys or employees.

15. Rights and Remedies. The rights and remedies of the Town under this Contract are in addition to any other rights and remedies provided by law. The expiration of this Contract shall in no way limit the Town's legal or equitable remedies, or the period in which such remedies may be asserted, for work negligently or defectively performed.

16. Subject to Annual Appropriation. Consistent with Article X, § 20 of the Colorado Constitution, any financial obligation of the Town not performed during the current fiscal year is subject to annual appropriation, shall extend only to monies currently appropriated, and shall not constitute a mandatory charge, requirement or liability beyond the current fiscal year.

17. Federal Provisions.

A. *General.* The Parties acknowledge that the Agreement is subject to the provisions of 2 C.F.R. Part 200 for projects funded in whole or in part by federal funds and the Robert T. Stafford Disaster Relief and Emergency Assistance Act (42 U.S.C. § 5121, *et seq.*) for projects resulting from Declared Presidential Disasters.

B. *Equal Employment Opportunity.*

1. Contractor shall not discriminate against any employee or applicant for employment because of race, color, religion, sex, sexual orientation, gender identity, or national origin. Contractor shall take affirmative action to ensure that applicants are employed, and that employees are treated during employment without regard to their race, color, religion, sex, sexual orientation, gender identity, or national origin. Such action shall include without limitation the following: employment, upgrading, demotion, or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. Contractor shall post in conspicuous places, available to employees and applicants for employment, notices to be provided setting forth the provisions of this nondiscrimination clause.

2. Contractor shall, in all solicitations or advertisements for employees placed by or on behalf of Contractor, state that all qualified applicants will receive consideration for employment without regard to race, color, religion, sex, sexual orientation, gender identity, or national origin.

3. Contractor shall not discharge or in any other manner discriminate against any employee or applicant for employment because such employee or applicant has inquired about, discussed, or disclosed the compensation of the employee or applicant or another employee or applicant. This provision shall not apply to instances in which an employee who has access to the compensation information of other employees or applicants as a part of such employee's essential job functions discloses the compensation of such other employees or applicants to individuals who do not otherwise have access to such information, unless such disclosure is in response to a formal complaint or charge, in furtherance of an investigation, proceeding, hearing, or action, including an investigation conducted by the employer, or is consistent with Contractor's legal duty to furnish information.

4. Contractor shall send to each labor union or representative of workers with which Contractor has a collective bargaining agreement or other contract or understanding, a notice to be provided advising the said labor union or workers' representatives of Contractor's commitments under this Section, and shall post copies of the notice in conspicuous places available to employees and applicants for employment.

5. Contractor shall furnish all information and reports required by Executive Order 11246 and by rules, regulations, and orders of the Secretary of Labor pursuant thereto, and shall permit access to his books, records, and accounts by the administering agency and the Secretary of Labor for purposes of investigation to ascertain compliance with such rules, regulations, and orders.

6. In the event of Contractor's noncompliance with this section, this Agreement may be canceled, terminated, or suspended in whole or in part and Contractor may be declared ineligible for further government contracts or federally assisted construction contracts in accordance with procedures authorized in Executive Order 11246, and such other sanctions may be imposed and remedies invoked as provided in Executive Order 11246, or by rule, regulation, or order of the Secretary of Labor, or as otherwise provided by law.

7. Contractor shall include these provisions in every subcontract or purchase order unless exempted by rules, regulations, or orders of the Secretary of Labor, so that such provisions will be binding upon each subcontractor or vendor. Contractor shall take such action with respect to any subcontract or purchase order as the administering agency may direct as a means of enforcing such provisions, including sanctions for noncompliance; provided, however, that in the event Contractor becomes involved in, or is threatened with, litigation with a subcontractor or vendor as a result of such direction by the administering agency, Contractor may request the United States to enter into such litigation to protect the interests of the United States.

C. *Davis-Bacon Act and the Copeland "Anti-Kickback" Act.* Contractor shall comply with 40 U.S.C. § 3141-3144 and 40 U.S.C. § 3146-3148, as supplemented by 29 C.F.R. Part 5. set forth below.

1. Minimum Wages.

a. All laborers and mechanics will be paid unconditionally and not less often than once a week, and without subsequent deduction or rebate on any account (except such payroll deductions as are permitted by regulations issued by the Secretary of Labor under the Copeland Act (29 C.F.R. Part 3)), the full amount of wages and *bona fide* fringe benefits (or cash equivalents thereof) due at time of payment computed at rates not less than those contained in the wage determination of the Secretary of Labor which is attached hereto and made a part hereof, regardless of any contractual relationship which may be alleged to exist between Contractor and such laborers and mechanics. Contributions made or costs reasonably anticipated for bona fide fringe benefits under § 1(b)(2) of the Davis-Bacon Act on behalf of laborers or mechanics are considered wages paid to such laborers or mechanics. Regular contributions made or costs incurred for more than a weekly period (but not less often than quarterly) under plans, funds, or programs which cover the particular weekly period, are deemed to be constructively made or incurred during such weekly period. Such laborers and mechanics shall be paid the appropriate wage rate and fringe benefits on the wage determination for the classification of work actually performed, without regard to skill. Laborers or mechanics performing work in more than one classification may be compensated at the rate specified for each classification for the time actually worked therein, provided that the payroll records accurately set forth the time spent in each classification in which work is performed. The wage determination and the Davis-Bacon poster (WH-1321) shall be posted at all times by Contractor and subcontractors at the work site in a prominent and accessible place where it can be easily seen by workers.

b. Contractor shall require that any class of laborers or mechanics, including helpers, which is not listed in the wage determination and which is to be employed under

this Agreement shall be classified in conformance with the wage determination. Contractor shall approve an additional classification and wage rate and fringe benefits therefore only when the following criteria have been met:

i. The work to be performed by the classification requested is not performed by a classification in the wage determination; and

ii. The classification is utilized in the area by the construction industry; and

iii. The proposed wage rate, including any *bona fide* fringe benefits, bears a reasonable relationship to the wage rates contained in the wage determination.

c. If Contractor and the laborers and mechanics to be employed in the classification (if known), or their representatives, and Contractor agree on the classification and wage rate (including the amount designated for fringe benefits where appropriate), a report of the action taken shall be sent by Contractor to the Administrator of the Wage and Hour Division, U.S. Department of Labor, Washington, DC 20210. T he Administrator, or an authorized representative, will approve, modify, or disapprove every additional classification action within 30 days of receipt and so advise Contractor, or notify Contractor that additional time is necessary.

2. If Contractor and the laborers or mechanics to be employed in the classification or their representatives do not agree on the proposed classification and wage rate (including the amount designated for fringe benefits, where appropriate), Contractor shall refer the questions, including the views of all interested parties and the recommendation of Contractor, to the Administrator for determination. The Administrator or an authorized representative will issue a determination within 30 days of receipt and so advise Contractor or will notify Contractor that additional time is necessary.

3. The wage rate (including fringe benefits where appropriate) determined pursuant to this Section shall be paid to all workers performing work in the classification under this Agreement from the first day on which work is performed in the classification.

4. Whenever the minimum wage rate prescribed in the contract for a class of laborers or mechanics includes a fringe benefit which is not expressed as an hourly rate, Contractor shall either pay the benefit as stated in the wage determination or shall pay another *bona fide* fringe benefit or an hourly cash equivalent thereof.

5. If Contractor does not make payments to a trustee or other third person, Contractor may consider as part of the wages of any laborer or mechanic the amount of any costs reasonably anticipated in providing bona fide fringe benefits under a plan or program; provided that that the Secretary of Labor has found, upon the written request of Contractor, that the applicable standards of the Davis-Bacon Act have been met. The Secretary of Labor may require Contractor to set aside in a separate account assets for the meeting of obligations under the plan or program.

6. The Town shall upon its own action or upon written request of an authorized representative of the Department of Labor withhold or cause to be withheld from

Contractor under this Agreement or any other federal contract with Contractor, or any other federally-assisted contract subject to Davis-Bacon prevailing wage requirements that is held by Contractor, so much of the accrued payments or advances as may be considered necessary to pay laborers and mechanics, including apprentices, trainees, and helpers, employed by Contractor or any subcontractor the full amount of wages required by the contract. In the event of failure to pay any laborer or mechanic, including any apprentice, trainee, or helper, employed or working on the site of the work, the Town may, after written notice to Contractor, sponsor, applicant, or owner, take such action as may be necessary to cause the suspension of any further payment, advance, or guarantee of funds until such violations have ceased.

7. Payrolls and basic records.

a. Payrolls and basic records relating thereto shall be maintained by Contractor during the course of the work and preserved for a period of 3 years thereafter for all laborers and mechanics working at the site of the work. Such records shall contain the name, address, and social security number of each such worker, his or her correct classification, hourly rates of wages paid (including rates of contributions or costs anticipated for bona fide fringe benefits or cash equivalents thereof of the types described in § 1(b)(2)(B) of the Davis-Bacon Act), daily and weekly number of hours worked, deductions made and actual wages paid. Whenever the Secretary of Labor has found under 29 C.F.R. 5.5(a)(1)(iv) that the wages of any laborer or mechanic include the amount of any costs reasonably anticipated in providing benefits under a plan or program described in § 1(b)(2)(B) of the Davis-Bacon Act, Contractor shall maintain records that show that the commitment to provide such benefits is enforceable, that the plan or program is financially responsible, and that the plan or program has been communicated in writing to the laborers or mechanics affected, and records which show the costs anticipated or the actual cost incurred in providing such benefits. If Contractor employs apprentices or trainees under approved programs, Contractor shall maintain written evidence of the registration of apprenticeship programs and certification of trainee programs, the registration of the apprentices and trainees, and the ratios and wage rates prescribed in the applicable programs.

b. Submittals.

i. Contractor shall submit weekly for each week in which any work is performed a copy of all payrolls to the applicant, sponsor, or owner, as the case may be, for transmission to the federal funding agency. The payrolls shall set out accurately and completely all of the information required to be maintained under 29 C.F.R. 5.5(a)(3)(i), except that full social security numbers and home addresses shall not be included on weekly transmittals. Instead the payrolls shall only include an individually identifying number for each employee. The required weekly payroll information may be submitted in any form desired. Contractor is responsible for the submission of copies of payrolls by all subcontractors. Contractor and subcontractors shall maintain the full social security number and current address of each covered worker, and shall submit them to the Town for transmission to the federal funding agency, Contractor, or the Wage and Hour Division of the Department of Labor for purposes of an investigation or audit of compliance with

prevailing wage requirements. It is not a violation of this section for Contractor to require a subcontractor to provide addresses and social security numbers to Contractor for its own records, without weekly submission to the sponsoring government agency or the applicant, sponsor, or owner.

ii. Each payroll submitted shall be accompanied by a "Statement of Compliance," signed by Contractor or subcontractor or their agent who pays or supervises the payment of the persons employed under the Agreement, certifying the following: that the payroll for the payroll period contains the information required to be provided under § 5.5(a)(3)(ii) of 29 C.F.R. Part 5, the appropriate information is being maintained under § 5.5(a)(3)(i) of 29 C.F.R. Part 5, and that such information is correct and complete; that each laborer or mechanic (including each helper, apprentice, and trainee) employed on the Agreement during the payroll period has been paid the full weekly wages earned, without rebate, either directly or indirectly, and that no deductions have been made either directly or indirectly from the full wages earned, other than permissible deductions as set forth in Regulations, 29 C.F.R. part 3; and that each laborer or mechanic has been paid not less than the applicable wage rates and fringe benefits or cash equivalents for the classification of work performed, as specified in the applicable wage determination incorporated into the Agreement.

iii. The weekly submission of a properly executed certification set forth on the reverse side of Optional Form WH-347 shall satisfy the requirement for submission of the "Statement of Compliance".

iv. The falsification of any of the above certifications may subject Contractor or any subcontractor to civil or criminal prosecution under 31 U.S.C. § 231.

c. Contractor or subcontractor shall make the records required by this section on available for inspection, copying, or transcription by authorized representatives of the federal funding agency or the Department of Labor, and shall permit such representatives to interview employees during working hours on the job. If Contractor or subcontractor fails to submit the required records or to make them available, the Federal agency may, after written notice to Contractor, sponsor, applicant, or owner, take such action as may be necessary to cause the suspension of any further payment, advance, or guarantee of funds. Furthermore, failure to submit the required records upon request or to make such records available may be grounds for debarment action pursuant to 29 C.F.R. 5.12.

8. Apprentices and trainees.

a. Apprentices will be permitted to work at less than the predetermined rate for the work they performed when they are employed pursuant to and individually registered in a bona fide apprenticeship program registered with the U.S. Department of Labor, Employment and Training Administration, Office of Apprenticeship Training, Employer and Labor Services, or with a State Apprenticeship Agency recognized by the Office, or if a person is employed in his or her first 90 days of probationary employment as an apprentice in such an apprenticeship program, who is not individually registered in

the program, but who has been certified by the Office of Apprenticeship Training, Employer and Labor Services or a State Apprenticeship Agency (where appropriate) to be eligible for probationary employment as an apprentice. The allowable ratio of apprentices to journeymen on the job site in any craft classification shall not be greater than the ratio permitted to Contractor as to the entire work force under the registered program. Any worker listed on a payroll at an apprentice wage rate, who is not registered or otherwise employed as stated above, shall be paid not less than the applicable wage rate on the wage determination for the classification of work actually performed. In addition, any apprentice performing work on the job site in excess of the ratio permitted under the registered program shall be paid not less than the applicable wage rate on the wage determination for the work actually performed. Where Contractor is performing construction on a project in a locality other than that in which its program is registered, the ratios and wage rates (expressed in percentages of the journeyman's hourly rate) specified in Contractor's or subcontractor's registered program shall be observed. Every apprentice must be paid at not less than the rate specified in the registered program for the apprentice's level of progress, expressed as a percentage of the journeymen hourly rate specified in the applicable wage determination. Apprentices shall be paid fringe benefits in accordance with the provisions of the apprenticeship program. If the apprenticeship program does not specify fringe benefits, apprentices must be paid the full amount of fringe benefits listed on the wage determination for the applicable classification. If the Administrator determines that a different practice prevails for the applicable apprentice classification, fringes shall be paid in accordance with that determination. In the event the Office of Apprenticeship Training, Employer and Labor Services, or a State Apprenticeship Agency recognized by the Office, withdraws approval of an apprenticeship program, Contractor will no longer be permitted to utilize apprentices at less than the applicable predetermined rate for the work performed until an acceptable program is approved.

b. Except as provided in 29 C.F.R. 5.16, trainees will not be permitted to work at less than the predetermined rate for the work performed unless they are employed pursuant to and individually registered in a program which has received prior approval, evidenced by formal certification by the U.S. Department of Labor, Employment and Training Administration. The ratio of trainees to journeymen on the job site shall not be greater than permitted under the plan approved by the Employment and Training Administration. Every trainee must be paid at not less than the rate specified in the approved program for the trainee's level of progress, expressed as a percentage of the journeyman hourly rate specified in the applicable wage determination. Trainees shall be paid fringe benefits in accordance with the provisions of the trainee program. If the trainee program does not mention fringe benefits, trainees shall be paid the full amount of fringe benefits listed on the wage determination unless the Administrator of the Wage and Hour Division determines that there is an apprenticeship program associated with the corresponding journeyman wage rate on the wage determination which provides for less than full fringe benefits for apprentices. Any employee listed on the payroll at a trainee rate who is not registered and participating in a training plan approved by the Employment and Training Administration shall be paid not less than the applicable wage rate on the wage determination for the classification of work actually performed. In addition, any trainee performing work on the job site in excess of the ratio permitted under the registered program shall be paid not less than the applicable wage rate on the wage determination for

the work actually performed. In the event the Employment and Training Administration withdraws approval of a training program, Contractor shall no longer be permitted to utilize trainees at less than the applicable predetermined rate for the work performed until an acceptable program is approved.

c. Equal employment opportunity. The utilization of apprentices, trainees and journeymen under this part shall be in conformity with the equal employment opportunity requirements of Executive Order 11246, as amended, and 29 C.F.R. part 30.

9. Contractor shall insert in any subcontracts the clauses contained in 29 C.F.R. 5.5(a)(1) through (10) and such other clauses as the federal funding agency may by appropriate instructions require, and also a clause requiring the subcontractors to include these clauses in any lower tier subcontracts. Contractor shall be responsible for the compliance by any subcontractor or lower tier subcontractor with all the contract clauses in 29 C.F.R. 5.5.

10. A breach of the clauses in 29 C.F.R. 5.5 may be grounds for termination of this Agreement, and for debarment as provided in 29 C.F.R. 5.12.

11. All rulings and interpretations of the Davis-Bacon and Related Acts contained in 29 C.F.R. parts 1, 3, and 5 are herein incorporated by reference in this Agreement.

12. Disputes concerning the labor standards provisions of this Agreement, including disputes between Contractor (or any of its subcontractors) and the contracting agency, the U.S. Department of Labor, or the employees or their representatives, shall be resolved in accordance with 29 C.F.R. parts 5, 6, and 7.

13. Certification of eligibility.

a. Contractor certifies that neither it nor any person or firm who has an interest in Contractor is a person or firm ineligible to be awarded government contracts by virtue of § 3(a) of the Davis-Bacon Act or 29 C.F.R. 5.12(a)(1).

b. No part of this Agreement shall be subcontracted to any person or firm ineligible for award of a Government contract by virtue of § 3(a) of the Davis-Bacon Act or 29 C.F.R. 5.12(a)(1).

c. The penalty for making false statements is prescribed in the U.S. Criminal Code, 18 U.S.C. § 1001.

D. *Contract Work Hours and Safety Standards Act*. Contractor shall comply with the following:

1. Neither Contractor nor any subcontractor employing laborers or mechanics shall require or permit any such laborer or mechanic in any workweek in which they are employed on such work to work in excess of 40 hours in such workweek unless such laborer or mechanic receives compensation at a rate not less than 1.5 times the basic rate of pay for all hours worked in excess of 40 hours in such workweek.

2. In the event of any violation of the clause set forth in subsection (1) hereof, Contractor and any subcontractor shall be liable for the unpaid wages. In addition, such Contractor and subcontractor shall be liable to the United States for liquidated damages. Such liquidated damages shall be computed with respect to each individual laborer or mechanic, including watchmen and guards, employed in violation of the clause set forth in subsection (1) hereof, in the sum of $10 for each calendar day on which such individual was required or permitted to work in excess of the standard workweek of 40 hours without payment of required overtime wages required.

3. The Town shall upon its own action or upon written request of an authorized representative of the Department of Labor withhold or cause to be withheld, from any moneys payable on account of work performed by Contractor or subcontractor under any such contract or any other federal contract with the same Contractor, or any other federally-assisted contract subject to the Contract Work Hours and Safety Standards Act, which is held by the same prime Contractor, such sums as may be determined to be necessary to satisfy any liabilities of such Contractor or subcontractor for unpaid wages and liquidated damages.

4. Contractor or subcontractor shall insert in any subcontracts the clauses set forth in this Section and also a clause requiring the subcontractors to include these clauses in any lower tier subcontracts. Contractor shall be responsible for compliance by any subcontractor or lower tier subcontractor with this Section.

5. The requirements of 40 U.S.C. § 3704 apply. No laborer or mechanic may be required to work in surroundings or under working conditions which are unsanitary, hazardous or dangerous. These requirements do not apply to the purchases of supplies or materials or articles ordinarily available on the open market, or contracts for transportation or transmission of intelligence.

E. *Rights to Inventions Made.* If the federal award providing funding for this Agreement meets the definition of "funding agreement" under 37 C.F.R. § 401.2(a) and this Agreement is between the Town and a small business firm or nonprofit organization regarding the substitution of parties, assignment, or performance of experimental, developmental, or research work under such funding agreement, the Parties shall comply with and be bound by 37 C.F.R. Part 401 and any implementing regulations issued by the awarding agency.

F. *Clean Air Act and Clean Water Act.* Contractor shall comply with the Clean Water Act and shall report each violation to the Town, and understands and agrees that the Town will, in turn, report each violation as required to assure notification to the State of Colorado, the federal awarding agency, and the appropriate Environmental Protection Agency Regional Office, and shall require all subcontractors to these requirements in each subcontract exceeding $100,000 financed in whole or in part with a federal award. Contractor shall comply with the Federal Water Pollution Control Act and shall report each violation to the Town and understands and agrees that the Town will, in turn, report each violation as required to assure notification to the State of Colorado, federal awarding agency, and the appropriate Environmental Protection Agency Regional Office. Contractor agrees to include these requirements in each subcontract exceeding $100,000 financed in whole or in part with a federal award.

G. *Energy Efficiency.* Contractor shall comply with mandatory standards and policies relating to energy efficiency contained in the state energy conservation plan issued in compliance with the Energy Policy and Conservation Act (42 U.S.C. § 6201), and shall include this clause in each third-party subcontract financed in whole or in part with federal assistance.

H. *Debarment and Suspension.*

1. Contractor affirms that neither it nor its principals are suspended or debarred or otherwise excluded from procurement by the Federal Government and do not appear in the SAM Exclusions, which is a list maintained by the General Services Administration.

2. If the Agreement is for $25,000 or more:

a. Contractor verifies that neither Contractor nor its principals (defined at 2 C.F.R. §180.995) or affiliates (defined at 2 C.F.R. §180.905) are excluded (defined at 2 C.F.R. §180.940) or disqualified (defined at 2 C.F.R. §180.935);

b. Contractor shall comply with 2 C.F.R. Part 180, subpart C and must include a requirement to comply with these regulations in any lower tier covered transaction;

c. This certification is a material representation of fact relied upon by the Town, and if it is later determined that Contractor did not comply with 2 C.F.R. Part 180, subpart C, in addition to remedies available to the State of Colorado and the Town, the Federal Government may pursue available remedies, including without limitation suspension and debarment.

3. Throughout this Agreement, Contractor agrees to comply with the requirements of 2 C.F.R. Part 180, subpart C. Contractor agrees to include a provision requiring such compliance in its lower tiered covered transactions.

I. *Byrd Anti-Lobbying Amendment.* Contractors who apply or bid for an award of $100,000 or more shall file the required certification set forth in the Certification Regarding Lobbying for the specific funding source. Each tier certifies to the tier above that it will not and has not used federal funds to pay any person or organization for influencing or attempting to influence an officer or employee of any agency, a member of Congress, officer or employee of Congress, or an employee of a member of Congress in connection with obtaining a federal contract, grant, or any other award covered by 31 U.S.C. § 1352. Each tier shall also disclose any lobbying with non-federal funds that takes place in connection with obtaining any federal award. Such disclosures are forwarded from tier to tier up to the recipient.

J. *Procurement of Recovered Materials.* In the performance of this Agreement, where the purchase price of a product exceeds $10,000 or the value of the quantity acquired by the preceding fiscal year exceeded $10,000, Contractor shall make maximum use of products containing recovered materials that are EPA-designated items unless the product cannot be acquired: competitively within a timeframe providing for compliance with the Agreement performance schedule; meeting Agreement performance requirements; or at a reasonable price. Information about this requirement is available at EPA's Comprehensive Procurement Guidelines web site, https://www.epa.gov/smm/comprehensive-procurement-guideline-cpg-program. The

K. *Contracting with Small and Minority Businesses, Women's Business Enterprises, and Labor Surplus Area Firms.* If subcontracts are to be let, Contractor shall take the following affirmative steps to assure that minority businesses, women's business enterprises, and labor surplus area firms are used when possible:

1. Placing qualified small and minority businesses and women's business enterprises on solicitation lists;

2. Assuring that small and minority businesses, and women's business enterprises are solicited whenever they are potential sources;

3. Dividing total requirements, when economically feasible, into smaller tasks or quantities to permit maximum participation by small and minority businesses, and women's business enterprises;

4. Establishing delivery schedules, where the requirement permits, which encourage participation by small and minority businesses, and women's business enterprises; and

5. Using the services and assistance, as appropriate, of such organizations as the Small Business Administration and the Minority Business Development Agency of the Department of Commerce.

L. *Federal Law, Regulations, and Executive Orders.* Contractor acknowledges that funding under this Agreement may include federal, state, and local money, and that financial assistance from federal agencies will be used to fund specific projects under this Agreement only. For those projects, Contractor agrees to comply with all applicable law, rule, regulation, executive order, policies of the applicable federal funding agency, procedure, and directives.

M. *No Obligation by Federal Government.* The Federal Government is not a party to this Agreement and is not subject to any obligations or liabilities to the County, Contractor, or any other party pertaining to any matter resulting from the Agreement.

N. *Program Fraud and False or Fraudulent Statements or Related Acts.* Contractor acknowledges that 31 U.S.C. § 38 applies to this Agreement.

O. *Department of Homeland Security Seal, Logo, and Flags.* Contractor shall not use Department of Homeland Security ("DHS") seal(s), logos, crests, or reproductions of flags or likenesses of DHS agency officials without FEMA pre-approval.

P. *Housing and Community Development Act.*

1. The work to be performed under this Agreement is subject to Section 3 of the Housing and Urban Development Act of 1968, 12 U.S.C. § 1701u (Section 3). The Parties agree to comply with HUD's regulations in 24 CFR Part 135, which implement Section 3.

The Parties certify that they are under no contractual or other impediment that would prevent them from complying with the Part 135 regulations.

2. Contractor agrees to send to each labor organization or representative or workers with which Contractor has a collective bargaining agreement or other understanding, if any, a notice advising the labor organization or workers' representative of Contractor's commitments under the Section 3 clause, and will post copies of the notice in conspicuous places at the work site where both employees and applicants for training and employment positions can see the notice. The notice shall describe the Section 3 preference, shall set forth minimum number and job titles subject to hire, availability of apprenticeship and training positions, the qualifications for each; and the name and location of the person(s) taking applications for each of the positions; and the anticipated date the work shall begin.

3. Contractor shall include the Section 3 clause in every subcontract subject to compliance with regulations in 24 C.F.R. Part 135, and agrees to take appropriate action, as provided in an applicable provision of the subcontract or in this Section 3 clause, upon a finding that the subcontractor is in violation of the regulations in 24 C.F.R. Part 135. Contractor shall not subcontract with any subcontractor where Contractor has notice or knowledge that the subcontractor has been found in violation of the regulations in 24 C.F.R. Part 135.

4. Contractor shall certify that any vacant employment positions, including training positions, that are filled (1) after Contractor is selected but before the Agreement is executed, and (2) with persons other than those to whom the regulations of 24 C.F.R. Part 135 require employment opportunities to be directed, were not filled to circumvent Contractor's obligations under 24 C.F.R. Part 135.

5. Noncompliance with 24 C.F.R. Part 135 may result in sanctions, termination of this Agreement for default, and debarment or suspension from future HUD-assisted contracts.

6. With respect to work performed in connection with Section 3 covered Indian housing assistance, § 7(b) of the Indian Self-Determination and Education Assistance Act. (25 U.S.C § 450e) applies to the work to be performed under this Agreement and requires that to the greatest extent feasible (i) preference and opportunities for training and employment shall be given to Indians, and (ii) preference in the award of contracts and subcontracts shall be given to Indian organizations and Indian-owned Economic Enterprises. Parties that are subject to the provisions of Section 3 and § 7(b) agree to comply with Section 3 to the maximum extent feasible, but in derogation of compliance with § 7(b).

IN WITNESS WHEREOF, this Construction Contract has been executed by the Parties as of the Effective Date.
