22SUP-02815	7/20/2022	\$10,000.00	843 Grays Peak Dr, Superior, CO 80027	Residential Remodel	Brawn and Brain LLC		A job that started as a siding replacement revealed water damage on a framed basement wall, to the extent that ~50% of the basement wall framing needs to be replaced.  A structural engineer has been consulted, and their letter and associated plan sets are attached.  The framed basement wall insulation will be replaced with R-21 batts. The wall was previously unfinished, and will remain unfinished following completion of the project.  Since we had to remove the siding and sheathing initially, it would be ideal if this could somehow be fast-tracked so that we can quickly button up this residence to avoid any further damage.	200
