

## ARTIST ROSTER QUESTIONS

1. **Question:** CAFÉ asks for 4-8 work samples in one spot and 4-14 in another. How many work samples are required?

**Answer:** The minimum number of work samples required is 4 digital images. The maximum number of digital images you may submit is 8. You are not required to submit sound or video files; however, if you would like to submit sound or video, you may submit up to 3 of each. The maximum number of all work samples allowed to be submitted is 14.

2. **Question:** How do you define sound-based art?

**Answer:** Sound-based art is public art that has sound as a major component to the artwork and may be a sculpture or a multi-media installation. It does not include individual musicians or bands that are interested in playing music on stage, unless that band made the music for the sound artwork.
